2023/2024

EXECUTIVE COMMITTEE MEMBERS PROFILE

HSM.ORG.MY

EXCO PROFILE

EDWIN GOH TOKE YEN

PRESIDENT

Edwin is a severe Hemophilia A patient and a banker with a BBA (Hons.) in Finance from Universiti Tenaga Nasional. He has been involved in the HSM committee since 2005 and received the WFH Youth Fellowship in 2006. Edwin advocates for standardized, prompt treatment for all Malaysians with bleeding disorders, tailored to individual needs. He believes in collaboration among patients, healthcare providers, and pharmaceutical companies. At work, he excels in customer communication and retention. In HSM, he aims to promote teamwork among stakeholders and encourages youth, women to play leadership roles in the future.

MUHAMMAD SHAKIR ABDUL AZIZ

VICE PRESIDENT

Shakir is living Hemophilia A and a Science Communication Officer at the Malaysian Palm Oil Board. He holds an MSc in Bio-industrial Technology and is a WFH Path to Access to Care and Treatment Academy graduate. Shakir is also a certified Patient Navigator by the National Cancer Society of Malaysia and a member of the Health Technology Assessment and Clinical Practice Guideline Council, under the Ministry of Health, Malaysia. He is devoted on youth empowerment and community engagement for treatment and care advocacy, aiming to create an inclusive community through partnerships with various stakeholders.

EXCO PROFILE

AZFAR AZHAR ZAINOL ZAHAR

HONORARY SECRETARY

Azfar Azhar is a severe Hemophilia B patient in Kuala Lumpur and works as a Service Advisor at a Proton Service Centre, a national automotive company. He has been actively involved with HSM since he was 7 and began officially volunteering since 2000. Azfar attended the WFH World Congress in Bangkok in 2004. He served as HSM Executive Committee for four years and is currently the Honorary Secretary. His motto is "Be better today than you were yesterday, and be better tomorrow than you are today." Azfar aims to improve the lives of the members of the bleeding disorder community through fundraising, raising public awareness, and staying updated on new treatments.

AMIERUL HAKIMIE LUQMAN YUSLI

HONORARY VICE SECRETARY

Amierul, a law undergraduate (LLB) student at Universiti Kebangsaan Malaysia, hails from Negeri Sembilan and has dedicated three years to the Hemophilia Society of Malaysia (HSM). His primary goal is to advocate for increased social awareness among both the public and patients. He's undergone leadership training in Singapore and Argentina to establish global connections as to mold him as next future leader. Recently, he was appointed as the Head of the HSM Youth Committee, where he's diligently planning to empower the youth in Malaysia.

EXCO PROFILE

AZRAF AZHAR ZAINOL AZHAR

TREASURER

Azraf is a Hemophilia B patient and working as a Technician. He has been involved with HSM since 2015 (2015-2016 as an Executive Committee, and 2017-present as the Treasurer). Currently, he is working as a freelance in transportation industry. He also aspires to attract more youth patient to actively participate in HSM. He is passionate in community engagement and community building activities.

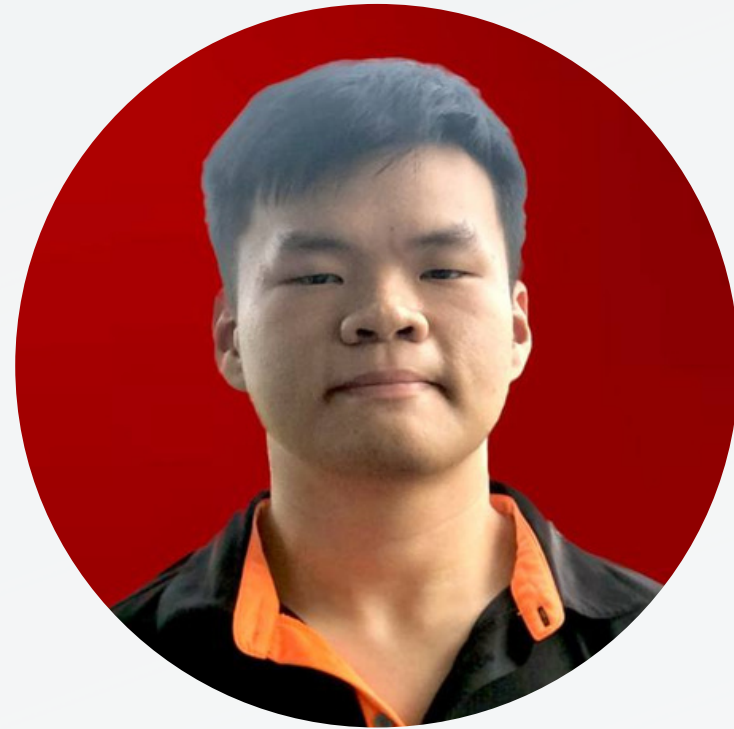

JONATHAN DAYAN MAURICE

COMMITTEE MEMBER

Jonathan is a severe Hemophilia A patient from Sabah (East Malaysia), holds a Diploma in Graphic Design and works as a freelancer in graphic design and fine art commissions. He's passionate about fine art, design, and character illustration. Through his involvement with the Hemophilia Society of Malaysia, particularly in Sabah, drives his motivation to connect all Hemophilia patients in Sabah to HSM, ensuring inclusivity. His motivation comes from his love for art, which helps him manage stress and stay focused on his work.

EXCO PROFILE

ADRYON KOH JIA HAO

COMMITTEE MEMBER

Adryon Koh Jia Hao, a diligent 22-year-old second-year student pursuing Bachelor of Media and Communication studies at IACT, has assumed the role of an EXCO member for HSM. His primary objective is to bolster both internal and external relationships while elevating the organization's public image. Outside of his academic commitments, Adryon finds immense pleasure in immersing himself in diverse media forms, encompassing literature, cinema, and anime.

WAN IQMAL HAKIMIE WAN RASNA SHAHMAN

COMMITTEE MEMBER

Wan Iqmal Hakimie, a dedicated 22-year-old currently undertaking his practicum at SK Dato Abu Bakar Baginda, exhibits a strong passion for knowledge dissemination and forging meaningful friendships. He possesses a keen interest in event management and community relations, skills he intends to leverage within HSM. His overarching objective is to broaden the awareness surrounding hemophilia while assisting younger members in enhancing their self-management abilities.

EXCO PROFILE

AHMAD FAHIM CHE JOHARI *COMMITTEE MEMBER*

Ahmad Fahim bin Che Johari, hailing from Kota Bharu, Kelantan, is a resolute individual, grappling with severe Hemophilia A. His life is defined by an unwavering passion for delving into new experiences and forging connections with people from diverse walks of life. At HSM, he is poised to channel his enthusiasm, offering a wealth of energy and innovative ideas that promise to be invaluable during meetings and the planning and execution of various programs. Ahmad Fahim's dedication to making a difference in the lives of those affected by Hemophilia is a testament to his indomitable spirit and commitment to the cause.
